

MATERIALLIST FOR AGNES CECILE WORKSHOP

sponsored by Winsor&Newton

Being a sponsor-supported workshop, there is not much you need to bring. The sponsor provides it all!

The only thing you have to bring by yourself:

- A set of brushes (usually we are fine with any brushes they are familiar with, but as a suggestion: agnes cecile's favorites are Winsor & Newton Cotman series)
→ for good result on the workshop, three sizes, round tip are suggested

PLEASE NOTICE: Unfortunately we haven't got space to store your wet paintings in the gallery. Please bring a transport solution by yourself so you can carry the paintings safely.
